Dear Progressive Individuals and Organizations,

On behalf of the Orange County Progressive Summit Planning Committee, I wish to offer you the opportunity to showcase your organization and services at the 1st annual Orange County Progressive Summit.

Progressive individuals and groups have been working together to promote our shared belief in the need to build a stronger progressive movement in Orange County. The focus of this conference is interdependence and the need for progressive groups to advocate for and support each other. The summit celebrates our work and collective wisdom as educators, advocates, and activists.

The summit will take place on June 12, 2010 at St. Michael & All Angels Episcopal Church located at 3233 Pacific View Dr. in Corona Del Mar, CA 92625. We are prepared to host approximately 200 participants; the summit is a great opportunity to showcase your community work, and/or organization. We invite you to consider tabling at this event.
